**STATE LEVEL/DISTRICT LEVEL INTER-POLYTECHNIC  
SPORTS AND GAMES MEET - 2021**

"A healthy mind resides in a healthy body"

"All work and no play makes Jack a dull boy".

Games and sports are an integral part of a student's life. A student should study hard to be successful in academics. At the same time, students should also play games and sports to enjoy good health and for a joyful life.

The benefits of playing sports are multiple: Participation in Games and Sports leads to balanced mental and physical growth. It teaches us life skills like teamwork, leadership, patience. It inculcates discipline and playing within the rules. It builds sportsmanship, which is to play within the spirit of the game and to deal with both winning and losing with grace. Playing and excelling in sports also teaches students the importance of hard work, perseverance, learning from failure, and importance of grasping opportunities. All these experiences and habits will stand students in good stead in their adult life.

**AIMS AND OBJECTIVES:**

- a) To cater to the needs of young sportsmen among students, by providing them with an opportunity to participate in Sports and Games.
- b) To inculcate and encourage the spirit of leadership and sportsmanship among the students.
- c) To impart sports training and make the students physically fit and mentally alert
- d) To build the character of young student athletes of the Polytechnics.
- e) To promote spirit of patriotism in students.
